January 12, 2001

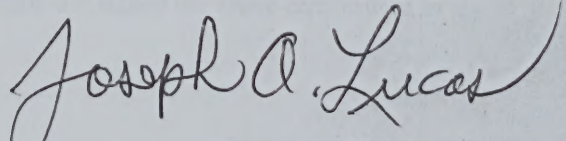

Again we experienced a year of relative stability with no major problems. Village District business was carried on as usual and had minimal impact upon our District property owners. We continue to maintain our property and a few projects are planned for the year 2001. These are primarily from necessity.

As mentioned in prior letters, our roadways have been continuing to stand the test of time as they withstand the effects of the elements. In addition the maintenance provided by the Town of Washington contributes toward keeping them in very good condition overall.

Your annual report for the Village District follows, and if you have any questions concerning the data or the Village District itself, please do not hesitate to contact us.

Respectfully Submitted,

Board of Commissioners

Joseph A. Lucas, Chair

Barbara Garvin

Anthony Monteiro
